

Home Study 5

25/5/20 - 5/6/20

(2 week plan)

Ms Crosson, Ms. Tracey and Ms. Whiston

5th Class

Morning all,

We hope you are all keeping well. It was great to see you on Zoom on Tuesday. It really brightened our day to see all your happy faces, to hear all your news and to see what great things you have been up to. You are a very talented and diverse group!

We're continuing with the changes to your work this week. We'd like to continue to focus on a few Seesaw activities for you rather than just your homework books. Please get your parents to email us if you need your password for Seesaw. As we said on the Zoom call we want to see all the art and hands on activities (such as baking or painting) you are doing at home so if you have anything to show us just add it to Seesaw. We have emailed your parents the answer book for your Mental Maths so that you can check your own work straight away. If we still do not have your parents' email, they can email us on our brand new email address centralmodelsenior5th@gmail.com and we will send the answers to them.

Please let us know if you are having difficulty with any questions in particular and we will help you. You can still send us your spellings, sentences and your tables champions.

Also we are available on email to you and your parents. If parents would like us to ring them for any reason, please do not hesitate to email us and we will organise a time to call.

Ms. Crosson, Ms. Tracey and Ms. Whiston

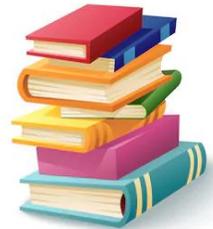

LITERACY and SESE

1. Spellings, learn them and put them into sentences.
2. Handwriting – continue to practice your cursive writing.
3. Choose a chapter from your Where on Earth and complete one a week
4. Just Grammar - start from the beginning and do pages we never got to do.
(This book was sent home in your packs this week so if you didn't manage to collect your books don't worry about it.)

- The wonderful Ms. Kildee is reading a story every day so tune in here:

<https://www.centralmodelseniorschool.ie/post/story-time-with-ms-kildee>

- Record yourself reading some of your DEAR time book or a page from your Read at Home using the recording function on seesaw. You do not have to video yourself, you can point the camera at the book and read!
- Poetry: Week 1 Limericks
Week 2: Tongue Twisters/ Riddles. Activities will be posted to Seesaw for your poetry at the beginning of each week.
- Oral Language: Choose something from the kitchen e.g kettle/toaster and create a video on Seesaw explaining what it is, how it works and the purpose of it. Again you do not have to be in the video but could put the kettle in the video and be speaking in the background. Before you record this, you need to prepare what you are going to say.
- Oral Language: Show and Tell: pick your favourite toy/activity. Explain what it is, what it does, why you like it. Your presentation should be no more than 3 minutes in length and you can either email it to us or use Seesaw. Again prepare what you want to say before you record yourself.
- Science: Materials and change is our theme for this month. I will put up 3 science experiments on Seesaw over the next two weeks that you can try at home.

MATHS

1. Continue with your Mental Maths
2. Continue with your Tables Champion books
3. Practice Daily 10 <https://www.topmarks.co.uk/maths-games/daily10>
4. Practice Hit the Button daily
<https://www.topmarks.co.uk/maths-games/hit-the-button>

We are looking at The Circle and Weight in May

CJ Fallon are continuing to offer free access to their online resources. If you follow the link below and using the filters at the top of the page, you can access the Busy At Maths online book, and complete the activities in your copybooks/upload them to Seesaw

<https://my.cjfallon.ie/dashboard/student-resources>

Chapter 27 The Circle (pgs 148 - 151)

Pg 148 (Read information in the yellow box)

Pg 149 (Read the information in the yellow box on how to draw a circle using a compass.

(If you don't have a compass, this link shows you simple ideas to draw a circle using different items in the home!)

https://www.youtube.com/watch?v=_yqmqESN_Oo

See if you can create your own way to draw a circle and show us your results on Seesaw!

Pg 150: Area of a circle questions 1 and 3

Problem Solving Thursday pg 151 Questions 1 and 2

Chapter 25 Weight (pgs 135 - 139)

Pg 136: Qu 1 and 4

Pg 137 Qu 1, 2, 3 and 4

Problem Solving Thursday pg 138 Qu 1, 3, 7 and 9

I'll also be posting a Maths activity in relation to these topics on Seesaw on Monday and Thursday each week and I'd love to see all your answers posted please.

If any of these activities are too difficult, let us know either through the email centralmodelsenior5th@gmail.com or through Seesaw and we can help you out. It's what we're here for!

GAEILGE

You can find your new Irish activities on seesaw

Watch the lovely Ms. Gillespie reading you a story as Gaeilge!

<https://www.loom.com/share/5a60d3fb4b9247208a71e3bd04795109>

You can find your Irish book and videos online!
Follow these instructions:

1. Go to folenonline.ie <https://www.folenonline.ie/>
2. Click "register"
3. Click "teacher"
4. Fill in your name, email and password

5. Type **Prim20** for “roll number”
6. Then choose “5th class” and you will find your book and videos!

Don't forget about our Irish songs!

Shotgun: <https://www.youtube.com/watch?v=Tnznu3Jx9us>

Can't Stop the Feeling: <https://www.youtube.com/watch?v=4FGr-f2EC-w>

Cup Song: <https://www.youtube.com/watch?v=Hz63M3v11nE>

Lots of fun Irish activities that you can try at home. Bainigí sult astú!

S.P.H.E

- **You will find a fun S.P.H.E activity on seesaw**
- Keep a kindness journal - write down ways that you have been kind to people at home, or kind things that you plan to do in the future. We all (adults and children) need to try extra hard during this time to show kindness as staying at home each day is difficult for us all. Little things that you do can be so helpful to your parents. Such as, keeping your bed tidy, playing nicely with your brothers and sisters, cleaning the dishes after meal time or keeping yourself busy with some school work. We can all do something to help one another.
- Keep your rainbow diaries- write down something you're grateful for each day. It will be lovely to read back on these when we are back at school as you may have found new things to be grateful for since school closed.

P.E

Being inside doesn't mean you can't be active!
Keep moving!

https://www.youtube.com/results?search_query=joe+wicks+kids+workout+

Joe is still hosting a live P.E session each morning at 9am on Facebook live, these workouts are then posted to his Youtube Channel so you can have a fun workout every day!

This link gives daily workout challenges! There's so many to choose from! Pick one that looks interesting and give yourself a well deserved brain break

<https://darebee.com/workouts.html>

Try and leave your home for a walk or a visit to an outdoor space during the week. We can now walk 5KM from our homes and certain places are reopening! Try and get to the local park where you can have a kickabout or play a game with your family. It's so important for your body and mind to get some fresh air and stretch your legs!
Remember to **follow the social distancing guidelines of course!**

ART

Try out Ms O' Callaghan's drawing tutorials here!

<https://www.centralmodelseniorschool.ie/post/drawing-with-ms-o-callaghan>

Remember to share photos of your creations on seesaw or email to centralmodelsenior5th@gmail.com

MUSIC

Dabbledoo are continuing free parents subscriptions to their materials. They have a bunch of new activities to choose from. If you haven't set up your account, it's not too late! You can still set up an account and follow the instructions to choose an activity to follow/practice. Use the link below:

<https://dabbledoomusic.com/p/parents-subscription-full-access>

Here here's a link for Louis Capaldi "Before You Go" if you want to learn a new song :)

<https://www.youtube.com/watch?v=tpmawc8gAjY>

We hope you enjoy these activities. We are really looking forward to receiving photos, videos and messages via centralmodelsenior5th@gmail.com and through Seesaw. We **love seeing your work!!**
