

Home Study 3

(2 week plan)

Ms Crosson, Ms. Whiston and Ms. Tracey

5th Class

Morning all,

We hope you all had a lovely Easter and took a much needed rest from your school work. We are in our final term of 5th Class and it's not how we imagined it would be at all! We are not sure when we will all be together again but we really want to stay in touch and make sure that everyone has the support that they need with their work. Ms. Gartland has very kindly given each year group their own email. So if you or your parents would like to talk to us we can be contacted at 5thcmss@gmail.com. We are now able to reply to your messages as quickly as possible. We are also trying to give you all passwords to make your Seesaw work private between you and your teacher. This means that you can ask your teacher anything you need about your work or the progress you are making. If there is something you want to work on in particular just let us know and we will help you out. If you are finding something too hard also let us know and we can talk you through it. If you have not received your code please ask your parents to email us at 5thcmss@gmail.com with your name and your teachers name and we will email it to you directly.

Ms. Crosson, Ms. Tracey and Ms. Whiston

Please continue with these 7 daily activities:

1. Continue with your spellings, learning them and putting them into sentences.
2. Continue with your Mental Maths – one a day
3. Continue with your Tables Champion books Monday – Thursday
4. Handwriting – continue to practice your cursive writing.
5. Read At Home - one page a day and answer the questions in your homework copy.
6. Practice Daily 10 addition, subtraction, multiplication and division every day. Record your scores in your homework journal daily.
<https://www.topmarks.co.uk/maths-games/daily10>
7. Practice Hit the Button daily and record your scores in your homework journal.
<https://www.topmarks.co.uk/maths-games/hit-the-button>

Here are some suggested topics for you to try!

LITERACY

- Log on to **seesaw** using your personal code and complete the explanation writing activity based on The Life Cycle of a Frog- more activities will be posted on seesaw once you have completed the first one.
- The wonderful Ms. Kildee is reading a chapter of Roald Dahl's Esio Trot everyday! Click here to watch the video.
<https://www.centralmodelseniorschool.ie/post/story-time-with-ms-kildee>
- Continue to keep a daily diary.
- Record yourself reading some of your DEAR time book using the recording function on seesaw
- Play countdown and try to create as many words as possible
<http://happysoft.org.uk/countdown/wordgame.php>
- Here is a great website to use to practise your writing skills. Here you can find ideas for all kinds of writing styles like poetry, persuasive and narrative
<https://danieldevine.github.io/ditto/>
- Like story podcasts? Listen to a story on Story Time. <http://storiespodcast.com/>

MATHS

Percentages and Area are the topics that we are looking at in April.

CJ Fallon are offering free access to their online resources. If you follow the link below and using the filters at the top of the page, you can access the Busy At Maths online book, and complete the activities in your copybooks

<https://my.cjfallon.ie/dashboard/student-resources>

Chapter 19 Percentages 1 (pgs 101 - 104)

Pg 101: Qu 1 -5

Pg 102: Qu 1, 2 , 4 and 6

Pg 103: Qu 1, 3, 4 ,5 and 6

Chapter 21 Area (pgs 112 - 118)

Pg 112: Qu 1 and 2

Pg 113: Qu 1, 2 and 4

Pg 114: Qu 2 and 3

Pg 115: Qu 1, 2 and 3

If any of these activities are too difficult, you can make a note of it and we can have a look at them when we're back in school.

You can also access online games and activities to practice your knowledge of these topics

As a fun activity, **Math Playground** is an excellent website where you can do all sorts of Maths activities and puzzles

<https://www.mathplayground.com/>

GAEILGE

New Irish activities have now been posted to seesaw!

Watch the lovely Ms. Gillespie reading you a story as gaeilge!

<https://www.loom.com/share/5a60d3fb4b9247208a71e3bd04795109>

You can find your Irish book and videos online!
Follow these instructions:

1. Go to folenonline.ie <https://www.folenonline.ie/>
2. Click “register”
3. Click “teacher”
4. Fill in your name, email and password
5. Type **Prim20** for “roll number”
6. Then choose “5th class” and you will find your book and videos!

Don't forget about our Irish songs!

Shotgun: <https://www.youtube.com/watch?v=Tnznu3Jx9us>

Can't Stop the Feeling: <https://www.youtube.com/watch?v=4FGr-f2EC-w>

Cup Song: <https://www.youtube.com/watch?v=Hz63M3v11nE>

Lots of fun Irish activities that you can try at home. Bainigí sult astú!

SOCIAL, ENVIRONMENTAL AND SCIENTIFIC EDUCATION (SESE)

History

<https://kids.britannica.com/kids/article/Easter-Rising/487498>

This is a quick overview of the 1916 Rising. Read through the page and answer the following questions:

1. What was the Easter Rising?
2. On what date did it begin?
3. How long did it last?
4. How many people took over key buildings in Dublin?
5. What did the British do?
6. How many people died during the rebellion?
7. What happened to the leaders of the rising?
8. How are the leaders of the Rising viewed today?
9. Who was Eamon De Valera?
10. Would you have participated in the Rising? Why? Why not?

Bonus Work: Using Kiddle look up the 1916 Rising and tell me one thing that you found that was interesting to you.

Science
Sound

Trivia Questions

1. Can sound travel under the water?
2. Is there sound on the moon?
3. What is the speed of Sound?

Answer these three questions first and then pop along to the website below to see if your answers were correct!

http://www.sciencekidsathome.com/science_topics/what_is_sound.html

Watch this short video and try the experiment of the tin can and elastic band yourself!

<https://www.youtube.com/watch?v=3-xKZKxXuu0>

Geography

This week we would have been looking at bays and headlands of Ireland. This interactive quiz will help you practice

<https://www.purposegames.com/game/bays-and-headlands-of-ireland-quiz>

Take a screenshot of your best score and share it with us via Seesaw or email.

S.P.H.E

- Keep a kindness journal - write down ways that you have been kind to people at home, or kind things that you plan to do in the future. We all (adults and children) need to try extra hard during this time to show kindness as staying at home each day is difficult for us all. Little things that you do can be so helpful to your parents. Such as, keeping your bed tidy, playing nicely with your brothers and sisters, cleaning the dishes after meal time or keeping yourself busy with some school work. We can all do something to help one another.
- Keep your rainbow diaries- write down something you're grateful for each day. It will be lovely to read back on these when we are back at school as you may have found new things to be grateful for since school closed.
- Mindfulness - practise a daily mindfulness session. Click on this link to bring you to a guided meditation session for children.
<https://www.headspace.com/meditation/kids>
- Here are 2 lovely youtube videos to help you to take some relaxing, meditative time at home, find a quiet place and try them out. Maybe someone in your family would like to join in!
<https://www.youtube.com/watch?v=O29e4rRMv4>

P.E

Being inside doesn't mean you can't be active!
moving!

<https://www.cosmickids.com>

Get

Joe Wicks workouts:

https://www.youtube.com/results?search_query=joe+wicks+kids+workout+

Joe is also hosting a live P.E session each morning at 9am on Facebook live, these workouts are then posted to his youtube so you can have a fun workout every day!

You can download the GoNoodle app for free and in the search engine, type what music/dance genre you like and learn a dance off by heart.

Just Dance have a Youtube channel where you can choose lots of dances to practice

<https://www.youtube.com/channel/UC0VIhde7N5uGDIFXXWWEbFQ>

The imovement have loads of fun activities to try from yoga exercises to meditation to active Literacy and Maths. Pick a fun task to do to keep active

<https://imoves.com/the-imovement>

Using the free Twinkl account, have a look at the fitness challenge cards to give yourself a daily workout challenge. You can pick the ones that are suited to your ability.

Don't forget to warm up and cool down properly though. Here is a video that you can follow:

<https://www.youtube.com/watch?v=AB1Go5Kpp9k>

Try and keep up with a daily walk if you can. It's gorgeous weather out there. Super good for you to get some fresh air! Remember to **follow the social distancing guidelines of course!**

ART

New Art activity has been posted on seesaw!

Check out this fantastic youtube channel which will teach you how draw lots of fun pictures!

<https://www.youtube.com/user/ArtforKidsHub>

Find out how to create pictures of animals using just your hand and a pencil!

<https://www.youtube.com/watch?v=qJNSOte9h4I>

Remember to send photos of your creations to 5thcmss@gmail.com

MUSIC

Dabledoo are continuing free parents subscriptions to their materials. They have a bunch of new activities to choose from. If you haven't set up your account, it's not too late! You can still set up an account and follow the instructions to choose an activity to follow/practice. Use the link below:

<https://dabledoomusic.com/p/parents-subscription-full-access>

We hope you enjoy these activities which we have suggested. We are really looking forward to receiving photos, videos and messages via 5thcmss@gmail.com
